Technology JAG Sharing Programs & Knowledge

by Jesse Lerman, President/CEO TelVue

It was a welcome change to finally be back in person at the Eastern Video Expo 2022. One of the big benefits of in-person events is how much easier it is to engage when it comes to feedback and collaborative-based discussions such as User Groups. One of my favorite times during the year is our annual JAG/Eastern Video Expo and Conference. This year was no exception. In fact, there was something even a little more special about this year, as it was the first time we have gathered in person since 2019. This year we gathered for our Trade Show, Banquet and JAG Awards on Wednesday, May 25 at the Crowne Plaza in Edison, NJ.
