Legislation Protecting Community Television Act To Be Reintroduced

by Dave Garb, Legislative Committee
Chair

We have all been waiting for a long time to see the Protecting Community Television Act be moved on by our federal lawmakers. During the 117th Congress, these bills had many co-sponsors, 2 of which included New Jersey's own Representatives Donald Payne, Jr. and Bonnie Watson Coleman. By PEG standards, we have a very small station run by a handful of intrepid volunteers, and as I was doing my programming this week, I had this thought--without JAG, the other PEG channels around the country, and independent producers that support our efforts, there would be no West Milford channel. Why? [Read more](#)
